S.N.1

In his letter dated the 14th July 1933 Mr. Kamalakar offered to set apart a sum of Rs. 6,600/- towards the endowment of certain scholarships to deserving poor pupils of the Hindu Mahratha Or Hindu non-Brahmin or Bramho community and to make provision therefor in his will , his intention being that the scheme should take effect after his life time.

The Inspector of Schools,who was consulted in the matter, makes two alternative suggestions:-

(a) to ask Mr. Kamalakar, if such are his intentions, to include in his will this bequest and the terms on which he wishes it to be given or

(b) to ask Mr. Kamalakar to set apart a certain sum to be used at once for the giving of scholarships.

Suggestion (a) amounts in effect to an acceptance of the offer made by Mr. Kamalakar.

Para. 4 of S.N.1 of B

Suggestion (b). The donor has expressed his wish that the scheme should take effect after his life time That being so, ~~there does not seem to be much point in asking~~ it does not appear that we can reasonably ask him to set apart some money to be used at once for the giving of scholarships. There seems to be no reason to doubt the bona fides of the gentleman

Para. 4 of S.N. 1 of B

gentleman in this matter. He has stated that he is even now financing the education of three poor -- Maharatta boys. He naturally wishes to retain the control of the arrangements in his own hands in his life time. ~~This~~ Suggestion (b) need not therefore be pursued. If approved, suggestion (a) may be accepted. It will be the duty of the Executor after Mr. -- Kamalakar's life time to intimate to this office that Government may enter upon the bequest and utilise it for the purpose for which it is made. The bequest, after it is realised, can be made to vest in the -- Treasurer of Charitable Endowments under Section 4 of the Charitable Endowments Act and the income from the Fund utilised in accordance with a scheme which will include the conditions suggested in Mr. Kamalakar's letter. The scheme can be made under Section 5 of the Act.

ENDOWMENT OF CERTAIN EDUCATIONAL SCHOLARSHIPS.

Sir,

I have the honour to address you on the subject of the institution of certain scholarships for educational purposes and to say as follows:—

2. I intend to set apart two sums of Rs.1,600/- and Rs.5,000/- out of my self-acquisitions towards the endowment of scholarships - the first to be instituted in perpetual memory of my late brother, Rao Sahib Rama Rao Gunpatha Rao Kamalakar J.P., and the second in mine, Wassantha Rao Gunpatha Rao Kamalakar. The proceeds from the investment of the first sum are to be utilised towards payment of a scholarship tenable for one year to any deserving poor boy or girl belonging to the Mahratha or Hindu non-Brahmin (not excluding Harijan) community preparing for the Matriculation or School Final Examination. The proceeds from the investment of the second sum are to be utilised towards payment of scholarships to two deserving poor pupils - a girl and a boy, or failing a boy or girl, two girls or two boys as the case may be, belonging to the Mahratha non-Brahmin (not excluding Harijan) or Bramho community for a period of 6 years towards the cost of their secondary education from the 1st to the VI Form, the scholarship not to exceed Rs.9/- per mensem per pupil.

3. The funds proposed to be set apart for the above purpose are at present lying in fixed deposits or otherwise in the Indian Banks Limited Madras, and Bangalore Branch, the Bank of Mysore Ltd., Civil and Military Station Branch and the Post Office Savings Bank-(Fraser Town). But I would, at my discretion, invest them either

in

in other Securities or in house property in the Civil and Military Station, Bangalore. At the present market rate, the amounts, if invested in 3½% Government Securities, will fetch an interest of about Rs.70/- and Rs.218/- per annum respectively. But, if, as a result of investment in house property or other forms of approved securities or other cause, there should be an increase in the proceeds, the excess is to be utilised in payment of additional scholarships to pupils of the same description and class. If in any year properly qualified pupils are not forthcoming, the proceeds should be accumulated and added to the corpus of the endowments.

4. I wish the above arrangements to take effect after my life-time. I may add that in part pursuance of my intentions outlined above, I am at present financing the education of three* poor Mahratha boys; I do not however intend that this act should, in any way, be construed as affecting my right to, or control over, the funds during my lifetime. I only wish that the boys I am now assisting should be the first beneficiaries, under the scheme if established, should they not have completed their education during my lifetime.

* Masters
1) Salunkay Lakshman Rao Narahari Rao preparing for the S.S.L.C., Examination for 1934.
2) Gorkay Munswami Rao Hanmantha Rao and
3) his younger brother Gorkay Munswami Rao Bheem Rao now, in the II Form.

5. If the above proposals are accepted by the Hon'ble the Resident, I shall be grateful for a scheme properly drawn up containing the terms referred to above which may kindly be sent to me for my formal acceptance.

6. As the scheme is to take effect after my lifetime, I would like to make provision for it, if accepted, in my Will. I would request, therefore, that you will communicate to me your reply at your earliest convenience.

I have the honour to be,
Sir,
Your most obedient servant,

L. Ramalakay

Sir,

With reference to your endorsement No.5750, dated 8-9-33, I have the honour to state that while appreciating the philanthropic spirit of Mr. W. G. Kamalakar in having come forward with a proposal to offer a donation for founding two scholarships, I have to offer the following remarks:-

It seems premature for Government to discuss the conditions of this offer which is to take the form of a bequest after the donor's death, when by a later codicil to the will the bequest could be annulled. I suggest that Mr. Kamalakar be told that Government appreciate his offer and that he be asked, if such are his intentions, to include in his will this bequest and the terms on which he wishes it to be given. After his death the Government will then presumably be informed of this clause in the will and can then discuss the question of whether it is acceptable on the conditions named. Alternatively, Mr. Kamalakar might be willing to set apart a certain sum to be used at once for the giving of scholarships as he suggests. If this were so, Government might consider the matter further.

I have the honour to be,
Sir,
Your most obedient servant,

The Charitable Endowments Act, 1890, under which the amount endowed by Mr.Kamalakar will have to be administered, was applied to the Station in the year 1908 for the purpose of the endowment relating to the Indian Institute of Science. The properties endowed to the Institute by Mr. Tata were vested in the Treasurer of Charitable Endowments for the Bombay Province. No separate Treasurer appears to have been appointed under Section 3 of the Act, as applied to the Station. It would appear from Sections 4, 5 and 6 of the Act, that an application will have to be made by the Executors, before the Crown Representative can direct the vesting of the property in a Treasurer appointed by him and can settle a scheme under Section 5.

The question is being examined and the file will be submitted on the 10th. Meanwhile S.N.1 may be acknowledged. Draft submitted.
